Offers subject to change, not combinable with all other offers. Taxes, shipping, handling and other fees apply. U.S. Dell Home and Home Office new purchases only. Free shipping and handling offer available in Continental (except Alaska) U.S. only. Free shipping offer does not include time to build/test system. Dell reserves the right to cancel orders arising from pricing or other errors. **MARKET VALUE:** Market Value is an estimate based on industry data such as published and as-sold prices for the same or comparable products in a survey of major online and/or offline retailers. **GRAPHICS AND SYSTEM MEMORY (SDRAM):** GB means 1 billion bytes, MB means 1 million bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors. **WIRELESS PRINTING:** PC must have a wireless card or be connected to a wireless network, and have the printer software installed for proper function. **HARD DRIVES:** GB means 1 billion bytes and TB means 1 trillion bytes; actual capacity varies with pre-loaded material and operating environment and will be less. **IN-HOME SERVICE AFTER REMOTE DIAGNOSIS:** Remote Diagnosis is determination by on-site/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions; if issue is covered by Limited Hardware Warranty ([www.dell.com/termsandconditions](http://www.dell.com/termsandconditions)) and not resolved remotely, technician and/or part will be dispatched, usually in 1 or 2 business days following completion of Remote Diagnosis. Dell sets the following In-Home Service
